**STIPULATION AND ORDER FOR A
LIMITED EXTENSION OF
DISCOVERY**

The undersigned parties hereby stipulate as follows and move this Court for an order
continuing the discovery deadline in this matter.

STIPULATION

1. The parties have been working cooperatively to complete discovery in a
timely fashion, but due to scheduling challenges and its impact on expert and medical provider
deposition scheduling, additional time is necessary to complete discovery.

2. The parties agree that no new discovery will be initiated and that this
extension is for the sole purpose of accommodating the calendars of expert witnesses and counsel.

3. The parties do not anticipate that the proposed new discovery end date will
impact the trial date of December 9, 2024. Dkt. 60.
